Wag! to become a publicly traded company | Wag! Help Center

Wag! to become a publicly traded company

Where can I get additional information about Wag!'s recent announcement that it's on its way to becoming a publicly traded company?

We're extremely proud of this milestone for the entire Wag! community and excited about the journey ahead. As always, we're laser-focused on our vision of becoming the leading pet services platform and providing families access to the best and safest possible care for their pets.

Check out the press release here: <https://wag.me/pr-chw>

Important information about the transaction can be found here: <https://wag.co/legend>.
